## Disc Golf Course

A 9-hole amateur course is a great practice area for the experienced player and an excellent course for family fun.

## Walking/Jogging Trails

Approximately 1 mile of walking and jogging trails meander through the wooded area. Learn as you stroll—there are nearly 60 trees identified along the path.

## K-9 Corner Dog Park

Divided into Active and Inactive Areas, this 1½ acre fenced area is available for visitors to bring canine friends, unleash them, and let them run, play, and socialize with other dogs as the owner is nearby to observe the play. Please have your pet current on all vaccinations and socialized. You may also bring your canine friend for an on-leash walk on the walking/jogging trail. Please remember to pick up after your pet.
